SALEM FREE CLINICS

bringing hope and health to our community…

Dear Interested Dental Volunteer:

Thank you for considering becoming a dental volunteer at Salem Free Clinics! The need is great and we could not make an impact without caring people like you. At this time we are operating three dental clinics each month, 2 on Fridays and 1 on Saturday. Clinic runs from 8:00 am to 12:00 pm and we see about eight patients per clinic.

Currently we are doing extractions only, but as we secure funding, we will open up our services to include restorative as well. Our hygiene clinics take place in the fall and spring and are staffed by OIT which is part of Chemeketa Community College. On a clinic day we utilize one dentist, a sterilizer/lab tech, a hygienist and an assistant.

- An informational meeting and tour is requested prior to processing the volunteer application. We would love to show you around the clinic and answer any questions you may have. To schedule, please contact Judi Imig at judi@salemfreeclinics.org or call 503-990-8772.

- A current TB test is required within the past 9 months prior to the application being considered. If you haven't had one, please take this cover letter and/or your volunteer application to Salem Occupational Health at 1880 Lancaster Dr. NE, Suite 102. The test will cost $2.50 as long as you bring your application or this cover letter with you. TB testing takes place Mondays – Wednesdays, and Fridays. For more information, call Salem Occupational Health at (503) 362-5242.

- Prior to submission, please make sure ALL documents in the application are filled out, complete with signatures where needed. Be sure to include your TB test results from Salem Occupational Health.

Thank you for taking the time to consider joining this amazing team of volunteers. Our clinics are volunteer run, so we wouldn't exist without people like you! We count ourselves fortunate that you would consider sharing your time and expertise at Salem Free Clinics.

Sincerely,

Jennie Pino
Volunteer Coordinator
