

bringing hope and health to our community...

Dear Interested Volunteer,

We are happy you are considering becoming a part of the team at Salem Free Clinics! If not for caring individuals like you, we couldn't deliver vital medical care to the uninsured in our community. We want to you to have a great experience as a volunteer with us. Below you will find helpful information and next steps as you consider if this is a good fit for you at this time:

- A regular commitment of at least once a month is necessary to be an active volunteer with our clinic.
- We invite you to an informational meeting and tour of the clinic prior to processing your application. Informational meetings are available Fridays at 1pm or 2pm and generally take 30 minutes. To schedule, please contact Jennie Pino at jenniep@salemfreeclinics.org or call 503-990-8772 ext. 3. Other meeting times are available if Fridays don't work for your schedule.
- A current TB test is required within the past 9 months prior to the application being submitted. You may want to utilize the services of our partners at Salem Occupational Health, located at 1880 Lancaster Dr. NE, Suite 102. The test will only cost you \$2.50 provided you bring your application or this cover letter with you as proof you are an SFC volunteer. Testing is available on a walk-in basis Mondays through Wednesdays, as well as Fridays. For more information, call Salem Occupational Health at (503) 362-5242. This process will require two visits and you will be given paper results to include with your application once you have completed the second visit within the required time frame.
- Prior to submission, please make sure all the application is filled out completely and that signatures are included where needed.

Once your completed application is received, you will be contacted by staff within about two weeks to inform you about what the next steps are to become a volunteer, as well as what days and shifts you are available for the role you are interested in. Please note that if you are interested in volunteering with our partner site in Dallas, you can check the box on the application and we will direct your application after you complete New Volunteer Orientation (NVO). NVOs generally take place on the 1st Thursday evening of the month from 5:30-7:30.

Thank you for taking the time to consider joining this excellent volunteer team that works diligently to meet needs in the lives of our valued community members. Our clinics are volunteer run, so we wouldn't exist without people like you! We count ourselves fortunate that you would consider sharing your time and talent at Salem Free Clinics. For any questions, contact Jennie Pino, Volunteer Coordinator at jenniep@salemfreeclinics.org, or call 503-990-8772 ext. 3. I look forward to meeting you!

Sincerely,

Jennie Pino
Volunteer Coordinator
