

What does being a compassion partner look like?

**Thank you for your
commitment to
Salem Free Clinics!
We could not serve
our community
without your help.**

Here are some benefits you
can expect as a Salem Free
Clinics' Compassion Partner:

Compassion Catch Up

Compassion Partners receive an exclusive newsletter, called the *Compassion Catch Up*. This newsletter will be the first place to hear of any clinic updates, news, and patient stories.

Lunch & Learns

We host periodic Lunch & Learns where CP's can learn from field experts and providers on health, mental health and more. Lunch is provided!

Early Event Access

Compassion Partners will receive early notice and access to all Salem Free Clinics events!

SFC Swag

Compassion Partners will receive our SFC decal and have access to any other swag to help get the word out about SFC, and how it's here to serve people in need.
